THE PIOCHE DAILY RECORD

Tue following paragraph is from the Terre Haute (Ind.) Express, of December 26:

Yesterday morning a city minister opened his front door suddenly and surprised a guilty-looking man who was just in the act of depositing a neatly covered basket on the door step. The meeting was not rapturous. "Aha." said the minister, rushing out and grasping the man by the collar, while he plied a heavy soled boot vigorously under the coat tail of his visitor, 'what do you mean, you villain, by leaving a baby on my door step? Ah, I have you, you scoundre!! I'll show you how to abandon an infant to the cold mercies of the world!" And all these remarks were punctuated by kicks. "I hain't left any baby at your door," said the man, taking up the bas-ket and lifting the cover. "I brought a right fat Christmas turkey for you, but I'm damned if you shall have it now if you was starving." And he walked gloomily away. The minister had a pen-sive, unhappy look and corrugated brow as he dissected his buckwheats a few minutes later. Evidently there had been a misunderstanding, and the minister apparently the victim.

It is not considered civil to ask a milkman for a piece of chalk.

Seminal emission is the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves or rattling of chariots, unassiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a disjude to form new acquaintances, a disposition to shun society, less of memory, pimples and various eruptions about the face, hectic flushes, furred tongue, fortid breath, coughs, consumption, night sweats, monomania and frequently insanity. If relief be not obtained, you should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating disease, which nover fails of effecting a quick and radical cure.
